SC PERFORMANCE GOAL

2010 Goal:
By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

McCracken Middle experienced another tremendous year.

McCracken achieved numerous firsts this year. For the first time ever, our school was recognized by the State Department of Education for improvement in test scores through the Palmetto Gold and Silver program. Another first for McCracken was having the greatest number of students recognized for academic excellence by the Junior Scholar program.

Our School Improvement Council took an active role in moving us forward. From our school's council we gave birth to a parent advocacy group for gifted children in our cluster. Additionally, we engaged the district in discussions around healthier lunch choices. We continued to focus on safety with visits from our police chief, district director of protective service and district coordinator for student services.

Our athletic teams once again brought home numerous championships including an undefeated season by our softball team and baseball teams.

We continue to grow as our student body passed 1200. This has given us a greater opportunity than ever to make an impact with our middle school students!

The opportunities continue to grow as McCracken becomes better and better. Thank you all for being so supportive as we truly get closer to being the best middle school ever!

With High Regards-

Myrna Rigg – SIC Chair
Phillip Shaw – Principal
